

Skid Hoe

For Skid Steer Loaders.

The Power of Combined Excellence

FEATURES:

- Efficiently digs trenches up to 6 ft deep
- Provides excellent mobility for digging footings
- Optional fixed thumb available
- Bucket linkage improves bucket breakout force with increased bucket rotation
- Bucket sizes available: 10", 12", 16", 18", and 24"
- Mounts easily on all major skid-steer loader brands with universal hitch
- Fully engineered and tested in rigorous real life conditions
- Replaceable hardened bushing and greasable fittings on all pivot points which reduces maintenance costs
- Stress Proof pins provide higher strength and increased wear resistance

NOTE: Some skid-steers will require the addition of a tilt circuit hydraulic relief valve
