HARLEY

Harley Walk-Behind

COMPACT POWER BOX RAKE FOR SEEDBED PREP

New Product

- *Maneuverable* Power Rake fits almost anywhere

- *Powerful* enough to work through tough jobs

- *Hydrostatic* drive allows you to match speed with ground conditions

- *All the Features* of the full size Harley Rakes

Walk-Behind Rake

Harley now brings you even more versatility and control.

Enjoy the same proven productivity and consistent performance of a Harley Rake now in a compact power unit that can go almost anywhere.

Ease of operation make the Walk-Behind a great addition to any landscapers; professional or do-it-yourselfers.

The Harley Walk-Behind is an ideal tool for landscaping and seedbed preparation. Use it for:

Grading and shaping
Digging and plowing material
Windrowing debris
Drying out muddy job sites
Reconditioning hard soil
Rejuvenating old turf
Seedbed preparation
Trench restoration

Well built, easy to use and easy to maintain...Harley rakes have been the versatile landscaper's choice for over 25 years!
