

VRS Pick-Up Sweeper

For skid-steer loaders

APPLICATIONS

- Parking lot clean-up
- Construction site clean-up
- Street, curb and gutter clean-up
- Parks and recreation areas
- Pavement milling operations
- Utility work site clean-up

FEATURES

- 60", 72" and 84" models available
- Patented "Volumizing" feature: bucket will hold considerably more debris volume with less recirculation when compared to conventional sweepers
- High dump design holds sweeper head clear of dumping bucket
- Quick change brush without breaking hydraulic lines
- Hydraulic motor can be removed for brush change without tools
- Big 26" diameter convoluted brush for effective sweeping action

AVAILABLE WITH
VACUUM DUST ABATEMENT

VRS Pick-Up Sweeper

FEATURES

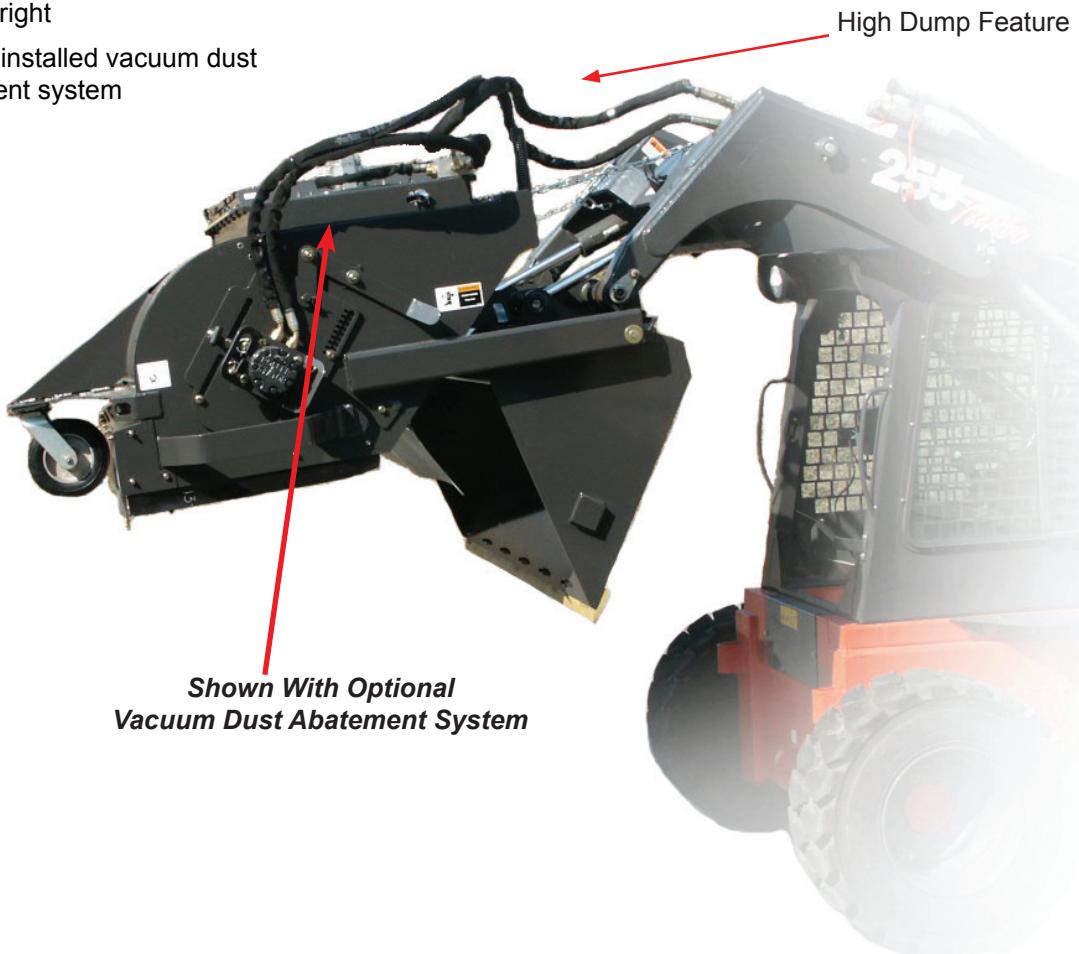

- General purpose light material bucket with bolt-on cutting edge
- No tools required for brush pattern adjustment
- Standard heavy duty front caster wheel
- No tools required for "volumizing" adjustment

OPTIONS

- Water dust abatement kit with 25 gallon water reservoir, mainline filter and in cab control
- Single or dual gutter broom for left and right
- Factory installed vacuum dust abatement system
