

Rubber Manure Scraper

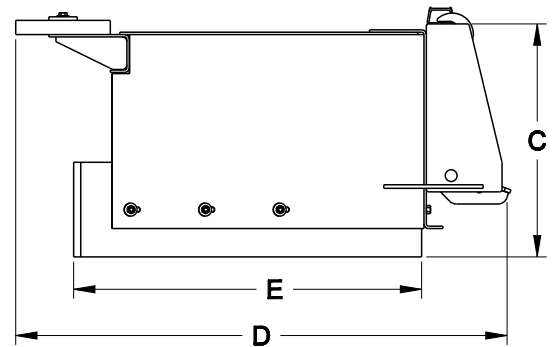

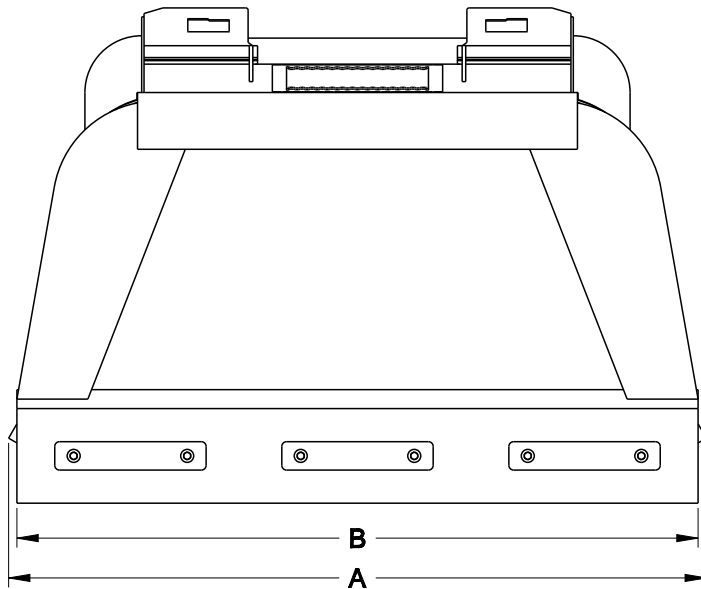

Features

- ❖ Durable construction and replaceable rubber make for a long-lasting attachment.
- ❖ 1 1/2" x 10" reversible, replaceable rubber edges allow 6" of total.
- ❖ Deep-angled design and one-piece lower rubber eliminates spillage.
- ❖ Upper pull back cleans material in tight spaces.
- ❖ Has been effectively used as a snow pusher for small skid steer loaders and compact tractors.
